SHOW RULES AND REGULATIONS

1. The 42nd Annual Greater Lansing Orchid Society Show will be held at Van Atta's Greenhouse & Flower Shop, 9008 Old M-78, Haslett, MI 48850 on February 28-March 1, 2026.
2. Exhibitors may set up exhibits from 1:00 to 9:00 p.m. on Friday, February 27. Registration of entries will be accepted from 3:00 to 8:00 p.m. Subsequent entries will be exhibited but not judged.
3. The displays will be open to the public on Saturday, February 28, from the conclusion of judging (approximately noon) to 5:00 p.m. (the sales area will be open from 11:00 a.m. to 5:00 p.m. on Saturday and on Sunday, March 1, from 11:00 a.m. to 4:00 p.m.).
4. All exhibits, including art and orchids in use, must be left in place until 4:00 p.m. on Sunday, March 1. Plants in exhibits shall not be removed before the Show is closed.
5. Requests for exhibition and/or vendor space for our 2027 Show should be sent no later than August 1, 2026 to Peter Ostlund, Vendor and Exhibitor Liaison, 7675 W Eaton Highway, Grand Ledge, MI 48837-9311 (517-449-5248 or p.ostlund@yahoo.com).

EXHIBITION GUIDELINES

6. All exhibitors are expected to familiarize themselves with the Show Schedule and Rules and Regulations.
7. Participation in the Show by commercial vendor, society, or individual is by GLOS invitation. The Greater Lansing Orchid Society has the right to refuse entry by any commercial vendor, society, or individual without regard to age, sex, race, or national origin.
8. Each exhibitor agrees upon entry to abide by the rules and regulations of the Show. All questions regarding the interpretation of these rules shall be referred to the Show Chairperson for a decision.
9. All exhibits must conform to the quality of the Show in accordance with the Show Committee; the Show Committee reserves the right to remove inferior exhibits or plants, including those with insect infestations or that appear diseased.
10. There are no fees to the exhibitor for entries or assistance in setting up exhibits.
11. Tables for exhibits will be furnished without cost, if requested in advance. All backdrops are provided; however, cloths for tabletops, etc. must be furnished by the exhibitor.
12. Foliage plants, moss etc. may compliment exhibits, but no artificial or dyed moss or foliage of any kind will be permitted with the exception of artificial grass used as a floor covering.
13. Plants in flower or cut flowers other than orchids will not be permitted in an exhibit. No dyed flowers will be permitted. For floral arrangements, see Rules for Orchids in Use.
14. No cut flowers will be permitted in flowering plant exhibits, and no flowering plants will be permitted in

cut flower exhibits.

15. All light stands are prohibited. Additional lighting of exhibits for effect is unnecessary in the greenhouses where we hold our Show. Supplemental lighting is restricted to self-contained "Wardian"-type cases.
16. Sponsors will provide all cards and signs displaying exhibitors names in the main display orchid greenhouse. No other identification will be permitted.
17. No sales tables shall be allowed in the exhibit area.
18. Neither the Greater Lansing Orchid Society nor Van Atta's Greenhouse & Flower Shop is responsible for loss or damage to any plants, blooms, corsages, containers, or other property of exhibitors. However, precautions will be exercised for their safety.

CLASSIFICATION

19. Improperly entered plants/exhibits may be either reclassified or disqualified at the discretion of the judges.
20. In general, plants should be entered in the first applicable class. If in doubt, see the Mid-America Classification Schedule.
21. There is no limit to the number of plants entered by one exhibitor in any one class.
22. A meristem/mericlone plant or cut flower may not be entered as a seedling blooming for the first time. If a plant is a meristem/mericlone, it should be so designated and the clone name given, if known.
23. For purposes of this schedule, the word "hybrid" means a cross made within the genus listed, unless preceded by the word "intergeneric", in which case, two or more different genera are used in the cross.
24. Natural hybrids should be included in species classes.
25. The same exhibit cannot be entered in more than one class.
26. Individual plants or cut flowers cannot be entered in more than one class, with the exception of classes 112 and 113.
27. For the purpose of this show, an amateur is defined as any person who has not sold more than a total of five hundred (500) plants and/or flowers in the past year.
28. In determining color for a class, the following guidelines will be employed: a) blush colors and two-tone flowers should be entered in the "other colors" classification, except in Phalaenopsis, which has a special blush class (62) color in Paphiopedilum hybrids is based on the dominant flower color.
29. Criteria employed in ribbon class definitions refer to characteristics prevailing for mature plants grown according to normal horticultural practices.

ENTRY OF PLANTS AND EXHIBITS

30. A separate self-carbon entry form must be made for each plant, cut flower and exhibit.

31. Print legibly on the entry forms.
32. Procedure for entries:
33. Registration of plants is facilitated if entry tags have been filled out as completely as possible prior to arriving at the show.
- i. On each entry form indicate the CLASS NUMBER for each entry. Check the show schedule for the correct class. It is your responsibility to classify your entries correctly. Incorrect entries may be disqualified.
 - ii. Under NAME indicate the name of the plant, flower, or exhibit
 - iii. Add the parentage, if a hybrid. Check the OrchidWiz data base, or similar electronic sources. AOS OrchidPro and OrchidWiz will be available at the entry registration desk.
 - iv. If the plant is a species, write "species" in the space for the cross.
- b. Additional ENTRY TAGS will be available from the registration desk.
 - c. Obtain an EXHIBIT and OWNER NUMBER at the registration desk. These numbers should appear on each entry tag. They assist the clerks and judges in locating plants and exhibits for judging.
 - d. Do not write in the AWARD section.
 - e. Return both copies of the completed entry tags to the entry desk in numerical order according to CLASS NUMBER. Do not separate the entry tags. Each entry will be assigned a TAG NUMBER. The copy stays at the registration desk to be used by the judging teams. The original is to be placed on the plant, flower or exhibit.
34. This Show has been approved for AOS judging. All flowers, whether entered for ribbon judging or not, will be considered for AOS awards unless marked "Not for AOS judging" by the exhibitor. If the flowers have been exhibited at another AOS function, they are considered to have been screened and, therefore, are not eligible for further consideration for AOS awards. The entry form for such plants must be marked, "Not for AOS judging". This does not disqualify the flower from consideration in the proper ribbon or trophy class.
35. Submission of plants or cut flowers for judging shall obligate the exhibitor to accept any award granted and to pay any fees connected with such an award except where he has clearly indicated before the judging that his entry is not to be AOS judged. Current award fees for a digital certificate: \$40 (AOS member); \$60 (not an AOS member); \$10 extra for a mailed certificate.

JUDGING

36. Show judging will begin promptly at 8:00 a.m. on Saturday, February 28.
37. Only authorized persons will be permitted in the Show's display areas during judging.

All questions regarding the interpretation of these rules or regulations shall be referred to the Show Chairperson, whose decision will be final.

RULES FOR ART EXHIBITS – ORCHID-RELATED

- 1. All artwork, Classes 114 through 117, must be original orchid subject work created by the exhibitor. The entry may not be a reproduction. Preparation of an original photo is not considered a “reproduction” per this rule.
- 2. The work may not have been entered in a previous Greater Lansing Orchid Society Show.
- 3. All entries are eligible for ribbon awards in their class. Judges have the option of withholding a ribbon if the entry does not meet judging standards.
- 4. Two entries per exhibitor, per class will be accepted in the art section (classes 114 through 118) pending a determination (based on available space) by the Art Exhibits – Orchid Related chairperson that an additional entry may be accepted.
- 5. An entry may not exceed 36 inches in any direction including the frame.
- 6. A separate entry must be made for each exhibit. Art class entry is separate from plant registration. Please contact the Art Exhibits – Orchid Related, chairperson for registration information (contact information provided below).
- 7. Exhibitors may attach their name card to their work after judging. A 10% commission is to be remitted to the Greater Lansing Orchid Society for any artwork sold as a result of being displayed at the Show.
- 8. All entries must be registered and in place by 7 p.m. Friday, February 27, 2026
- 9. No entry may be removed from display until 4:00 p.m. Sunday, March 1, 2026, with the following exception. Art sold during the show may be collected 3 :00 p.m. on Sunday, March 1, 2026.
- 10. The Art Exhibits – Orchid Related chairperson reserves the right to decline the entry of any piece of art or photography that does not meet the subject, framing or other display criteria established prior to the dates of the orchid show.
